

How to Calculate Grade Point Average:

1. Multiply the total grade points earned for each course by the number of credits awarded for each year. A = 4 points; B = 3 points; C = 2 points; D = 1 point. A single semester, which earns one-half the total credits of a year's course, earns one-half the number of points, i.e. One semester (.5 credits) with an "A" would receive 2 points; with a "B" would receive 1.5 points, and so on.
2. Add the number of points calculated for each course to get a total for all the courses. Do not include in the GPA more than 1 credit of P.E.
3. Divide the total number of grade points by the total number of credits. Do not include in the GPA more than 1 credit of P.E.

With Honors = 3.4 - 3.69; *With High Honors* = 3.70 - 3.89; *With Highest Honors* = 3.90 - 4.0

Standard Diploma

22 credits required

English	4 credits	
Mathematics	2 credits	
Science	2 credits	Life Science (1); Physical Science (1)
Social Studies	3 credits	State History (1 semester = .5 credits) (optional); U.S. History (1); World Geography (1 semester = .5 credits); Government (1 semester = .5 credits); Economics (1 semester = .5 credits)
Physical Education	1 credit	
Electives	10 credits	Computer or keyboarding skills (1 semester = .5 credits)

Academic Diploma

22 credits required

English	4 credits	
Mathematics	3 credits	
Science	3 credits	Life Science (1 or 2); Physical Science (1 or 2)
Social Studies	4 credits	State History (1 semester = .5 credits) (optional); U.S. History (1); World History (1); World Geography (1 semester = .5 credits); Economics (1 semester = .5 credits); Government (1 semester = .5 credits)
Physical Education	1 credit	
Electives	7 credits	Computer or keyboarding skills (1 semester = .5 credits)

Advanced Academic Diploma

24 Credits Required

English	4 credits	
Mathematics	3 or 4 credits	
Science	3 or 4 credits	Life Science (1 or 2); Physical Science (1 or 2)
Social Studies	4 credits	State History (1 semester = .5 credits) (optional); U.S. History (1); World History (1); World Geography (1 semester = .5 credits); Economics (1 semester = .5 credits); Government (1 semester = .5 credits)
Physical Education	1 credit	
Electives	5 to 7 credits	Computer or keyboarding skills (1 semester = .5 credits)
Foreign Language	2 credits	same language for 2 years
Health	optional	(1 semester = .5 credits)
